

# Mapping connections between STEM and social-emotional development (SED): Innovating assessment and data systems for research and practice

## Conference Agendas

### *Introductory Session (1 hour) – May 7, Thursday, 2:00 to 3:00 PM Eastern*

- Opening Circle
- The Big Picture
- Conference Plan
- Questions and Answers
- Closing Circle

**Note:** Attending this Introductory Session (or viewing the recording of the Intro Session) is a requirement to attend Conference Sessions 1 and 2.

### *“Working” Session 1 (5 hours with 30 min break) – May 19, Tuesday, 12:00 to 5:00 PM Eastern*

#### *Part A: Mapping the Practice Landscape in Out-of-School Time (2.5 hours)*

- Opening Circle
- Overview/Background
- Panel 1 Discussion (*Topic: STEM and SED in OST Practice – Examples from the Field*)
- Breakout Session
- Reconvening

#### *Break (30 mins)*

- Participants take a 30-min break or participate in optional/informal breakout rooms

#### *Part B: Measurement Considerations in Out-of-School Time Practice (2 hours)*

- Activity Demonstration
- Breakout Groups (*Video Exercises: Observable Evidence of STEM-SED Integration*)
- Reconvening
- Closing Circle

### *“Working” Session 2 (3 hours with option 4<sup>th</sup> hour) – June 2, Tuesday, 12:00 to 4:00 PM Eastern*

#### *Part C: Mapping the Research Landscape in Out-of-School Time*

- Opening Circle
- Overview/Background
- Panel Discussion 2 (*Topic: Advancing the STEM-SED Research Agenda & Deepening Research/Practice Partnerships*)

#### *Part D: Strength of Field Collaboration*

- Breakout Session (Researcher-Practitioner Design Teams)
- Reconvening: “Gallery Walk”
- Conference Reflections
- Closing Circle

#### *Optional Hour: Taking Action*

- Informal discussion hour on how to take research and practice ideas to the next levels
